

March 7, 2018

Dear Friends,

Welcome to the 2018 DPH Precinct Meeting! Tonight, Democrats are gathered across the state to take an important first step in choosing our Precinct and District officers, delegates to County and State Conventions, platform and resolutions, and candidates for this election cycle.

The upcoming campaign will not be easy, but we can win by joining together to strengthen our party, spread the progressive message, and support our talented candidates for office. With your help, we will continue the fight to advance Democratic values and enact our platform into law by electing Democrats up and down the ticket.

Our work starts here and will continue over the next nine months - from our County Conventions in April and May, through the State Convention in Waikoloa on May 26th-27th, the Primary Election on August 11th and General Election Day on November 6th, 2018.

I admire your dedication and appreciate your commitment to the Democratic Party of Hawaii. Remember that every person you encounter tonight is working hard to help this meeting run smoothly and doing so in a volunteer capacity out of a genuine love for our Party. Please show them the aloha, respect, and gratitude they deserve.

Again, mahalo for being here tonight to participate in democracy at the grassroots. Now let's get to work!

In solidarity-

Tim Vandever
Chair, Democratic Party of Hawaii
