

## VOTER REGISTRATION CALL TO ACTION

(SCRIPT)

We're making voter registration an important part of the work we do, and we need to bring in NEW voters. Our goal is to increase voter turnout in Hawaii, and to make sure that everyone votes for Democrats.

Please stand up if you are registered to vote.

Keep standing if you know that every member of your family is registered to vote.

Keep standing if you know that all of your friends are registered to vote.

How about all of your neighbors?

(hold up the voter registration form)

It is EASY to register to VOTE, it is good for DEMOCRACY and we also know that when more people vote, DEMOCRATS WIN ELECTIONS. At every meeting of our Districts and Precincts, every organizing meeting, every talk story, and every town hall meeting, we are going to make voter registration a part of our winning strategy.
