

DEMOCRATIC PARTY OF HAWAI'I MEMBERSHIP DATABASE POLICY

Approved by:
State Central Committee on February 1, 2020

DPH Constitution – Article I, Section 4. “The Secretary of the State Central Committee shall be the official custodian of the membership records of the Democratic Party of Hawai‘i.”

DPH Bylaws – Article I, Section 6A. “The State Central Committee shall establish the policy of who has access to the computer membership records and who may make changes thereto and the Secretary of the State Central Committee shall oversee the implementation of the State Central Committee policy regarding access to the membership database.”

The Secretary of the Democratic Party of Hawai‘i, in consultation with the Party Chair, Vice Chair, Assistant Secretary, and members of the Executive Committee, recommends these policies for access to and use of the Membership Database to the State Central Committee for its approval.

The State Central Committee believes a current and accurate Membership Database is an extraordinarily valuable asset and powerful tool, when used responsibly and effectively. It is also important that safeguards be established to protect the privacy of our members and to maintain the security of the database. To ensure this continues to be the case and to minimize abuse, these policies have been established.

Only those members holding the positions listed below will have access to the Membership Database as described in this policy. No one otherwise will be given access. Access will be regularly reviewed for currency.

Prior to being granted access to the Democratic Party of Hawaii’s Membership Database, each person must be given a copy of this DPH Membership Database Policy and will be required to sign the DPH Database Policy Agreement (attached at the end of this policy). Those that do not sign this policy agreement will not be granted access to the DPH Membership Database. Editing access will only be granted after the individual has received training on the proper editing protocol of the Membership Database. Requests for access must be made directly to the SCC Secretary by the individual requesting access.

Additionally, the staff may be requested by the Party Chair to communicate with the membership, in part or entirely.

Party Staff will have these privileges for the membership records for the entire state.

Volunteers

During periods of higher-than-normal activity on the Membership Database, it may be necessary to allow certain members access to the database for special projects. For a member to gain the necessary access under these circumstances, they must be approved by both the Party Secretary and Chair. The Secretary will determine, with approval from the Chair, from where (remotely, or in the DPH office), at what permission level, how long, when, and which members may access the database to perform the work necessary.

Database Administrator

The Database Administrator's function is to ensure the database platform runs properly by working with the State Central Committee Secretary and Assistant Secretary to ensure the records and information is up-to-date.

The Database Administrator shall have the ability to see membership records statewide, however shall not have the ability to make changes to membership records. They shall not be able to grant access to the database to any one without prior approval of the SCC Secretary, Assistant Secretary, or Party Office Staff (if applicable).

The Database Administrator cannot make changes to the database without prior approval of the SCC Secretary or Assistant Secretary.

Fair Access in Party Office Elections

The Democratic Party of Hawai'i believes in fairness in elections. Officers cannot be allowed to have an unfair advantage by having the ability to contact members in their respective areas, while their opponents do not. To that end, use of the database by any and all Party members running for (re)election to their respective party positions may have access to the member contact information, as applies to the respective party position, on an equitable basis.

Access Forbidden in Primaries for Partisan and Nonpartisan Elections.

No one, including candidates and candidate committees, may use the Database to communicate or disseminate information in favor of or against any candidate for political office in primary elections in either partisan or nonpartisan races, including the Presidential Preference Polls. Nor can the Database be used as an organizing tool for such purposes.

Privacy and Personal Use Policy

Officers (as designated in this policy) and members working on special projects will only access the Database for official Party purposes. At no time and under no circumstances may they use any of the information contained within the database for personal, professional, or any other non-Democratic Party of Hawai'i purpose. Users found to be in violation of this provision will immediately be denied further access.
